Important Information Regarding Your Cooperative Center Federal Credit Union Account(s)

Dear Valued Member,

Effective this June, Cooperative Center Federal Credit Union will become Nuvision Credit Union (Nuvision).

On behalf of the Nuvision Credit Union & Cooperative Center Federal Credit Union Teams, we would like to welcome you to Nuvision! From its beginning in 1942 as Consumers Cooperative of Berkeley, Cooperative Center has a long history of improving the financial well-being of its members and communities. Nuvision shares this commitment, and we are honored to continue that important legacy, bringing you and your family much more from your credit union membership while expanding our community investment programs and partnerships.

Beginning Monday, June 3, 2024, you will have access to more branches and many new products and services will be available to you as a Nuvision member with the same personalized high-quality service you've always enjoyed at Cooperative Center.

While there will be no changes to your accounts until June 3, we are working hard to make the transition to Nuvision as smooth as possible for you. We invite you to visit our FAQ page for more information about how the merger will impact you:
