

MOBILE REMOTE DEPOSIT SERVICES AGREEMENT

Mobile Deposit is designed to allow you to make deposits of checks ("original checks") to your accounts from home or other remote locations by scanning the original checks and delivering the digital images and associated deposit information ("images") to us or our processor with your Mobile Device. Mobile Deposit is offered as a convenience and supplemental service to our Online Banking services. It is not intended to replace access to Online Banking from your personal computer or other methods you use for managing your accounts and services with us. To utilize the Mobile Deposit service, you must be enrolled to use Online Banking. After you login to Mobile Banking, you may apply for Mobile Deposit. If you, the account holder, are approved for Mobile Remote Deposit services, you agree that use of remote deposit services is subject to the following terms and conditions:

We reserve the right to limit the types and number of accounts eligible and the right to refuse to make any transaction you request through Mobile Deposit. We also reserve the right to modify the scope of the service at any time.

Processing Limits. An email will be sent to you including the daily and monthly limits you qualify for. These limits are subject to change.

Email Address. You agree to notify us immediately if you change your email address, as this is the email address where we will send you notification of receipt of remote deposit items.

Eligible items. You agree to scan and deposit the following:

- Personal Checks
- Business Checks
- Cashier's Checks
- Official Checks
- Traveler's Checks
- Money Orders

Ineligible items. You agree that you will not use Mobile Deposit to deposit:

- Checks exceeding set maximum daily and 30-day rolling limit
- Checks previously returned unpaid
- Demand drafts, Insurance drafts or remotely created checks
- Foreign checks payable in foreign currency
- Image replacement documents
- Duplicate items
- Irregular checks
- Multiple-payee or double-endorsed checks
- Savings bonds

Requirements. Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature and your account number and "FOR MOBILE DEPOSIT ONLY TO NUVISION". Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

Receipt of Deposit. All images processed for deposit through Mobile Deposit will be treated as "deposits" under your current Membership and Account Agreement with us and will be subject to all terms of the Membership and Account Agreement. When we receive an image, we will confirm receipt via email to you. We shall not be deemed to have received the image for deposit until we have confirmed receipt to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive. Deposits will not show on the account until the close of the business day.

Following receipt, we may process the image by preparing a "substitute check" or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images.

Original checks. After you receive confirmation that we have received an image, you must securely store the original check for 60 days after transmission to us and make the original check accessible to us at our request. We recommend placing a post-it note that states deposited and the date of the deposit in case we need a copy. Upon our request from time to time, you will deliver to us within X amount of time, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after such period expires, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. After destruction of an original check, the image will be the sole evidence of the original check.

You agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Returned Deposits. Any credit to your account for checks deposited using Mobile Deposit is provisional. If original checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

Your Warranties. You make the following warranties and representations with respect to each image:

- Each image is a true and accurate rendition of the front and back of the original check, without any alteration, and the drawer of the check has no defense against payment of the check.
- The amount, payee(s), signature(s), and endorsement(s) on the image and on the original check are legible, genuine, and accurate.
- You will not deposit or otherwise endorse to a third party the original check and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the original check or a paper or electronic representation of the original check such that the person will be asked to make payment based on an item that has already been paid.
- There are no other duplicate images of the original check.
- The original check was authorized by the drawer in the amount stated on the original check and to the payee(s) stated on the original check.
- You are authorized to enforce and obtain payment of the original check.
- You have possession of the original check and no party will submit the original check for payment.

With respect to each image, you make to us all representations and warranties that we make or are deemed to make to any party pursuant to law, regulation or clearinghouse rule. You agree that files and images transmitted to us will contain no viruses or any other disabling features that may have an adverse impact on our network, data, or related systems.
